CULLOMPTON YOUTH CLUB

Welcome Valerie!

We are pleased to welcome Valerie as a Youth Support Worker to the Cullompton Youth Work Team! Valerie supports junior youth club sessions on Mondays.
Valerie is really looking forward to working together with young people at Cullompton Youth Club.

It's been a busy few months at Cullompton Youth Club!

The final term of the academic year saw us welcome year 6s to junior sessions. This was a great opportunity for young people transitioning from primary to secondary school to be able to meet friends, take part in activities and be welcomed to youth club sessions.

Our summer sessions took place in August. Activities were planned by young people and included sport, ice cream making, water balloons and a summer celebration.

INVOLVE
VOLUNTARY ACTION IN MID DEVON

This August, Cullompton Youth Club seniors took their first youth club summer outing!
Young people organised a trip to Exmouth beach, which included travelling by public transport, fish and chips, ice creams and a dip in the sea.
A great day had by all!

Funding Success!

We have successfully secured £11,520 from the Movement Fund to fence and surface the John Tallack Youth and Community Centre (JTC) land to the rear of the building.

This will allow us to develop a much needed outdoor activity space and garden at JTC.

Cullompton Youth Action

Cullompton Youth Action is a new opportunity for young people at youth club to discuss and become active on the issues that matter to them, both in Cullompton and the wider world!

Watch this space for updates on Cullompton Youth Action!
